## EXPERIENCE

### FILMMAKER, Apex, NC

Hope Community Church, October 2021–October 2024

- Turn-keyed video productions, live action and animated, from pre to post-production.
- Worked with talent, directing or interviewing subjects for character stories.
- Performed various on-set (studio and location) duties including camera, lighting, and art direction for edited pieces and live events.

### SENIOR EDITOR, COLORIST, Fuquay-Varina, NC

Amazing Studios, October 2017–October 2021

- Edited, colored, and worked with motion graphics on projects for clients such as RDU International Airport, American Heart Association, Wake County, and several various economic growth videos for NC townships.
- Worked with writers, directors, and producers to develop creative concepts for videos.
- Performed varied on-set duties including camera work and DIT.

### EDITOR, Raleigh, NC

Centerline Digital, April 2016–October 2017

- Worked with directors and animators in post-production workflow on 120+ projects for both B2B and B2C clients, including Fortune 500 companies such as IBM and Cisco. Video subjects varied from high energy event openers to customer testimonials.
- Involved in pre-production creative contributions to various videos.

### EDITOR/COLORIST/OTHER, Wake Forest, NC

Uptone Pictures, February 2009–June 2015

- Various roles in many different projects, including three feature films, two television shows, music videos, and commercials
- Roles included editor, assistant editor, camera operator, motion graphics, colorist, DIT
